Mr. Stevens, by this time you should have received a copy of Open Records Letter OR2018-20990 (2018) from the Office of the Attorney General. The decision concluded that portions of TPCN's proposal is excepted from required public disclosure pursuant to section 552.110 of the Government Code, but that the remaining portions must be released.

In accordance with OR2018-20990, I have attached the public portions of the proposal that was previously withheld from you.

Mr. Stevens, you may recall that I submitted some documents responsive to your request (attached) to the Office of the Attorney General for an open records decision. Reviewing my file on your request, it is not apparent that I ever sent you any responsive documents. Have you received any documents from me yet?
